RELEVANT EXPERIENCE

KPMG LLP

Advisory Intern

Tysons Corner, VA

June 2021 – August 2021

- Consulted Freddie Mac's Capital Markets Division by providing operational and SOX support. Specifically analyzed over 100 data artifacts and tested 3 audit controls for the purpose of detecting errors within their financial reporting
- Composed 5 technical consultation memos for the purpose of detailing each audit's procedures and objectives
- Utilized Wdesk, a cloud-based compliance reporting software, for the purpose of preparing risk and audit reports
- Performed due diligence by analyzing our clients' company records as well as identifying irregularities in their reporting

Madison Investment Fund

Chief Investment Officer, Manager, Consumers Sector

Harrisonburg, VA

November 2019 – Present

- Serve as the Chief Investment Officer in a student-led value investment fund responsible for managing an equity portfolio of over \$500,000 on behalf of the James Madison University Foundation
- Manage \$70,000 within the Consumers Sector, allocated under 14 current investment holdings
- Pitched a buy presentation on Target Corp. for the purpose of expanding the Consumers Sector portfolio
- Lead and participate in weekly discussions with a group of 5 analysts to discuss market trends in the Consumers Sector

Visiting Angels Health Care

Finance Intern

Virginia Beach, VA

May 2020 – August 2020

- Assisted in the implementation and credentialing process to join the Veterans Affairs Community Care Network Program which will generate over \$500,000 of additional revenue for Visiting Angels per year
- Performed due diligence regarding Visiting Angels' 2020 insurance renewal in order to remain compliant with the Affordable Care Act, as well as due diligence regarding the unemployment claims made by previous employees
- Created an applicant tracking database of over 800 files in Microsoft Excel to facilitate the employee recruiting process

ADDITIONAL EXPERIENCE

James Madison University Football

College Football Data Analyst

Harrisonburg, VA

August 2019 – January 2020

- Assisted in the development of 11 scouting reports for James Madison Football by analyzing formations and operation times within opponent game film for the purpose of preparing the team's weekly game strategy
- Performed player analysis on the kickers, punters, and long snappers of opposing teams by recording individual operation time, style, weakness, and irregular mannerisms that telegraphed play changes or trick plays

Student Advisory Council

Vice President, Student Ambassador

Harrisonburg, VA

April 2021 – Present

- Serve as a student ambassador to the College of Business by conducting school tours, speaking at informational panels, and attending College of Business events for the purpose of educating students and their families
- Act as a liaison for JMU's Board of Advisors by initiating and implementing ideas to improve the College of Business

BlackRock Inc.

Diversity Program Extern

New York, NY

April 2020 – May 2020

- Selected to explore the career options and application process of BlackRock Inc. by means of a multi-day, virtual forum, led by talent acquisition executives and current employees from BlackRock's various business segments
- Interacted and collaborated with current BlackRock Inc. employees to improve my resume, interview skills, and acquire a comprehensive view of BlackRock's five business divisions through informational interviews
